# WEDDING INVITATIONS

*(2 or 3 pieces - ceremony, response & information)*

---

To get an idea of how much you can expect to pay, add the design fee, printing fee, based on quantity, and envelopes/add-on items (page 7), to get your total.

Pricing in the 3-piece suite is at subject to change with the choice of detail card format. With a different format option can change the price of the suite. *(All pricing is subject to change.)*

Keep in mind that invitations quantities go by HOUSEHOLD. So, for example, if your guest count is 200, you would typically only need 100 invitations. This may vary based on couples vs. families vs. single guests.

COREY + LINDSEY

It means so much to us to have you here to celebrate our wedding. Whether you have been there for us since the day we were born, or you came into our lives somewhere along the way, know that you are an important part of our story.

For the rest of our lives, this will be a day that we fondly look back on, and we are grateful that you will forever be a part of those memories.

Thank you for being here and supporting us as we start our new chapter together.
